Activities underway or completed since the last report:

The Committee:

- Hosted the Awards Luncheon.
- Collaborating with ILA Staff on strategic awards and scholarships promotion in order to raise awareness and increase nomination submissions.

Projected activities during the upcoming months:

Beyond ILA, the Committee will concentrate on attracting submissions for awards. The committee is reviewing the ILA website to be sure that awards are being presented in the most understandable manner and suggesting any updates if necessary.

Comment / concern

One of the Award sponsor / presenters had mobility issues. I think it is important for the stages at events such as this to have the best possible options for those with disabilities. In the future, the committee will make sure that we are prepared to address this in timely manner.

Questions or concerns that need to be addressed by the ILA Board:

None at this time.
