

CALL ONE & GOVERNMENT ASSOCIATIONS

With Call One and the SPC, Local, Regional and State government affiliated entities have access to safe, secure and reliable voice, internet, data & cloud-based network services.

Under the Illinois Joint Purchasing Act, the Suburban Purchasing Cooperative [SPC]...

selected Call One to provide communication and data solutions to businesses with the exclusive opportunity to bypass a traditional RFP process and enjoy cost-savings. The SPC is a joint purchasing program sponsored by the Northwest Municipal Conference [NWMC], DuPage Mayors & Managers Conference [DMMC] South Suburban Mayors and Managers Association [SSMMA], and Will County Governmental League [WCGL]. Together the SPC represents over 145 municipalities and townships in northeastern Illinois.

Why You Should be Utilizing the SPC Telecommunications Contract

PRICE

The combined purchasing power of government entities resulted in advantageous contract terms for a wide variety of high-quality telecommunications products at the best and lowest possible pricing.

NO RFP NEEDED

The SPC Telecommunications Program meets all competitive bidding requirements under the Illinois Joint Purchasing Act. Telecom services procured through the SPC allow you to waive the cumbersome, time-consuming and expensive RFP process.

TECHNOLOGY

The telecommunications products and services available through the SPC offer the latest, most advanced digital technology in VoIP, Internet/Data, UcaaS, SD-WAN, Cloud Contact, Video/Teleconferencing, Voice, Security and Call Recording.
