Committee or Forum: ILA Reporter Advisory Committee

Report completed by: Alissa T. Henkel

Date: 03/10/2021

Activities underway or completed since the last report:

This committee has met four times – Thursdays, November 19, December 17, January 22, and February 18, at 2:00 pm. At all meetings, the committee checked in to see how the individual articles were advancing.

Projected activities/initiatives during the upcoming months:

The March 2021 issue features an article from Kim Tipton and Cherie Watson, *Starting a Professional Reflection Practice*, an article by Tana Petrov, *Beyond the Library Walls: Building Communities with Bookmobiles and Other outreach Opportunities*. The article by Jennifer Robertson and Alissa Henkel, *Social Justice and Anti-Racism*, has been moved to the June issue. Other articles include *New Library Buildings 2020*, *Reaching Underserved Communities through DEI Training*, and *Out in the Open: Inclusivity, Access, and Open Educational Resources in Illinois*.

The June 2021 issue will feature an article from Sarah Rice, *A Year after COVID: Where Are We Now?* an article by Jennifer Robertson and Alissa Henkel, *Social Justice and Anti-Racism*, and an article from Mary Beth Riedner, *Understanding Your Patrons Living with Dementia: How Dementia Awareness Training Can Make Your Library More Dementia Friendly*. Additional articles have been submitted.

Intended outcome/goals of project(s):

The goal of the above projects is for the committee to have at least two articles for each issue within our committee year. The authors, viewpoints and information published should reflect the diversity of our Illinois libraries as well as highlighting the diverse communities we serve. Our articles should not focus upon an individual library, but showcase diverse voices and geography.

Anticipated timeline(s) and completion date(s) for each project:

The public deadline for the June issue is March 20, 2021 and the committee deadline is April 20, 2021.

Activities should be designed to advance the ILA Strategic Plan. Which strategic goal areas are best addressed by the activities above? Check all that apply and describe briefly how the activities will advance the goal(s). View the full plan at <http://www.ila.org/about/strategic-plan>.

The ILA Reporter Advisory Committee seeks to include authors, viewpoints and information from a wide variety of Illinois libraries to include both city and rural, both small and large, both upstate and downstate, and any library in between. This committee also recognizes that Illinois libraries serve diverse and various communities. Diversity and inclusion refer not just to the libraries, but also to populations they serve. Concerning the events of 2020, we acknowledge that Illinois libraries have under-served populations to highlight.

Questions or concerns that need to be addressed by the ILA Executive Board (please discuss with your board or staff liaison first. Board liaisons can help with strategic, programmatic, policy-related and content-related questions; staff liaisons can help with procedural or business-related questions):

None at this time.

THANK YOU for your service to ILA and Illinois librarianship!
