Activities underway or completed this quarter:

We have six active luminary campaigns.
Finalizing conference event at Tannins & Hops, and soliciting items for silent auction.

Projected activities during the upcoming months:

We're in the process of assessing the activities of this committee. Observations gleaned from participants at Orientation indicate the Luminary campaign may be "maturing" out. Program may better be served under the Awards Committee. We'll set time aside after conference to begin working on a proposal to submit for Board consideration.

Questions or concerns that need to be addressed by the ILA Board:

None at this time.
